ART UNIT 2872

Art Unit: 2872

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 20, line 16, the language "at a first" has been changed to read --at said first--.

In claim 20, line 16, the language "at a second" has been changed to read --at said second--.

In claim 21, lines 1-2, the language "said mirror carrier" has been changed to read --said carrier--.

2. The drawing(s) filed 07/10/2002 is/are accepted by the examiner.
3. Claims 20-23 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest an exterior rear view mirror for a vehicle comprising a base for mounting on a vehicle body; a housing pivotally mounted on said base for angular movement about a first pivot axis; at least one rib integrally formed within the interior of said housing; a carrier contained within said housing and pivotally mounted to said at least one rib for pivoting about a second axis; a reflective member mounted on said carrier; a mounting member connected to said at least one rib and contained within said housing; an electric motor mounted on said mounting member, said electric motor having an output shaft selectively operable to cause angular movement of said housing about said first pivot axis at a first discrete speed and at a second discrete speed; a controller adapted to control the electric
